Puzzle 1b: Elvis Lives

Your task is to unscramble the seven clues below to help you unscramble the name of the person of note at top. Each clue relates specifically to this person somehow.

Once you rearrange the letters of a word properly, the letter in the colored box indicates what letter should appear in the corresponding colored box up top. Conversely, if you solve the name of the person, you can fill in the corresponding colored boxes in the words below with the same letters.

10 points possible: 2 points for solving the name. 1 point for solving each of the 7 clues.

Earn one additional point for correctly submitting the explanations for how each clue relates to this person.
