Movie Title Mash

The answers to the clues below are “new movies” in the form of two complete real movie titles combined. It may be as simple as putting one title after another or interweaving or sharing each title’s words.

1. A SyFy original. Nevada seismologists warn of an imminent earthquake, dubbed “The Unthinkable”, capable of tearing the world in two! (2 words)
2. A documentary produced by the American Dental Association on the dangers of hard candy (3 words).
3. The follow up to this Academy Award winning film delves deeper into the friendship of two slow-witted Alabamans. (5 words)
