New words? = Wow. Nerds!

Your task is to unscramble the six clues below to help you unscramble the name of the person of note at top. Each clue relates specifically to this person somehow.

Once you rearrange the letters of a word correctly, the letter in the colored box indicates what letter should appear in the same colored box for the name of the person. If you solve the name of the person, you can fill in the matching colored boxes in the words below the person's name.

8 points possible: 2 points for solving the name. 1 point for solving each of the 6 clues.
